JUDGMENT

The petitioners are married nearly nine years back in a church as is evident from Ext.P1. They have now applied for registration of marriage under the Special Marriage Act before second respondent. First petitioner has to leave for Italy to join duty there on 15th of this month.

2. In the circumstances, writ petition is disposed of directing second respondent to complete the procedure involving presence of first petitioner by taking statement or signature on or before 12th of this month and release her. As and when marriage is registered, second respondent will issue the certificate to second petitioner or any person authorised by petitioners. Petitioners will produce a copy of judgment for compliance.

Writ petition is disposed of.
